Valik kõige erilisemaid raamatuid EBSi raamatukogus

Estonian Business School'i (EBS) raamatukogu tähistab oma tegutsemise 30. aastapäeva. Raamatukogu sünnipäevaks võib pidada 19. aprilli 1993, mil vormistati tööleping tolleaegse Tallinna Kergetööstustehnikumi raamatukogu juhataja Elvi Arnoveriga, kelle ülesandeks oli EBSi raamatukogu kogu komplekteerimine.

Oleme raamatukogu fondi tutvustuseks pannud kokku valiku erilistest raamatutest teemal „Kõige, kõige ...“: näiteks kõige esimene raamat, esimene õpik, aga ka kõige vanem, väiksem ja suurem raamat EBSi raamatukogus.

Raamatud, mis saabusid algusaegadel EBSi raamatukogusse, olid peamiselt annetused. 1998. a saabus 114 nimetuse ja 277 eksemplari suurune raamatukingitus Bentley College'ist Sabre Foundation'i kaudu. Osad raamatud on pärit Tallinna Kergetööstustehnikumi raamatukogu fondist, kui tehnikum 2003. aastal kolis A. Lauteri 3 hoonest mujale.

Book exhibition

A selection of the most special books at the library of EBS

The library of Estonian Business School (EBS) is celebrating its 30th anniversary.

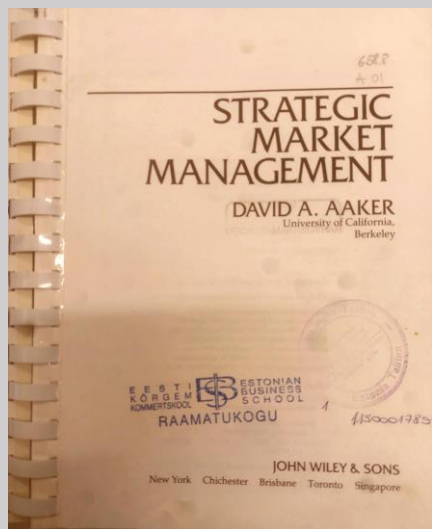

On the 19th of April in 1993 the employment contract was formalized for the head of the library of Tallinn Technical School of Light Industry, Mrs Elvi Arnover. Her task was to complete the collection of the EBS Library.

We have compiled a selection of different books with the title „The most...“: the first book, the first textbook, the oldest book, the smallest book and the largest book, etc to introduce the library fund.

The books from the early days were mostly donations, e.g. from Bentley College through the Sabre Foundation. Some of the books were left by the library of Tallinn Technical School of Light Industry, when they moved out from the building of A. Lauteri 3 in 2003.
